How leaving the EU and the Single Market can be made to work for Britain

### **Description**

The Bruges Group report *What it Will Look Like: How leaving the EU and the Single Market can be made to work for Britain* details the potential challenges the UK faces when it leaves the EU. The report also explains how these problems can be addressed by Her Majesty's Government.

Drawing upon decades of research and analysis, this report clearly explains how:

- **There is no such thing as a truly 'Hard Brexit' - but there are significant obstacles.**
- **A UK-EU trade agreement, focused on tariff reduction and clearing customs, could take less than a year to complete.**
- **The UK's bargaining position is stronger than many commentators believe.**
